A Tribute to Our Family

Volume 3 #1

January, February, March 1992

Donna Younkin Logan, Publisher

Dear Cousins...

I would like to take this opportunity to thank all of you for your 1992 renewals, many of them also included letters which still have gone unanswered. Just before Thanksgiving our 17-year-old son, Joshua, was in an automobile accident. His recuperation has gone well but required much of my spare time in recent months. Thank you all for your patience and kindness.

Many of you have come to know my family over these past three years and know that Joshua had spent the better part of the past three years rebuilding a 1969 Volkswagen Beetle. It was destroyed in the accident (beyond belief!) but our son's life was spared! For that we will be eternally grateful. We are also grateful to the inventor of the "seatbelt"—for that remarkable invention was, on that tragic evening, his "lifesaver." He was flown via Maryland's State of the Art Medevac helicopter to the Shock Trauma Unit of Washington County Hospital, suffering major internal facial trauma and a broken leg, but after 15 hours of reconstructive surgery and months of TLC (i.e. spoiled rotten!) he is now back in school and will graduate this spring.

There is another reason why I tell you all this — if you don't already, PLEASE WEAR YOUR SEATBELTS — THEY DO SAVE LIVES!

The JUNGHEN FAMILY COOKBOOK is in need of your support — Roger has only received 3 recipes — come on now dig into those recipe boxes. See The Yonkin Connection article for details. You don't have to be the best chef in the country — just send your family favorites!

Also, the reunion tapes should be in the mail in the next few weeks — again I apologize for the delays.

1992 Reunion Update

We are gearing up for the 1992 reunion this summer and a sign-up sheet will be included in the next newsletter. We will again be headquartered at the Ramada Inn in Somerset and I have booked the same suite we had last year for the Friday night festivities. I have already reserved 20 rooms for us. The nightly rental charge is \$52 single or double occupancy.

Roger couldn't be with us at the reunion last summer as he had already signed up for class in Navajo weaving in Arizona. From what I can see he doesn't need classes — beautiful work!

*A tear
so tiny
A wee
crystal drop.
So heavy
when it falls.
Slowly, it erupts
from deep within
some hidden place;
A small part
of my soul
That surfaces
to show on my face,
As a witness
that I care.*

[Loretta sent this to me and asked that I run it in this issue for Ed and Shirley Younkin in memory of their son, Greg. Loretta said it best in her letter accompanying this poem, "I can think of no greater sorrow than to lose one's child. My compassion for that kind of grief is the most that I have to feel." Loretta, you've said it for all of us.]

I Married a Younkin

By LARRY LOGAN

I was having a difficult time coming up with an idea for this issue's I.M.A.Y. column, until I saw an ad in one of those supermarket tabloids. It said that a "Madame Sori Xamula ... would provide a 1992 horoscope for a particular family surname".

Well, I immediately dialed the 900 number, and got all the particulars needed to place my order for the surname "Younkin". It was a very simple process. Instead of having to fill out an elaborate family history application, all I had to do was send Madame Sori back issues of the Younkin Family News Bulletin. (This provided more information than she usually gets, and she was very impressed with the quality of the publication).

But what was most amazing was that Madame Sori's second husband's mother's maiden name was Younkins!!! That makes her a former I.M.A.Y.!!! I got a 20% discount, but I have to admit that the service was still pretty expensive (watch out for a subscription price increase next year...).

Anyway, the following is what Madame Sori provided for the Younkins in 1992. Happy New Year!

Date of Application: 12-29-91

Family Surname: Younkin(s)

Horoscope Year Covered: All of 1992

1992 ***** 1992

Aquarius (Jan 20-Feb 18) - Aquarius might be the most predominant "water sign" in the horoscope, but for Younkins born under this sign, water is their nemesis. They usually don't swim well, are prone to getting sea-sick, and can even have difficulty operating a water glass in restaurants, or a garden hose anywhere. For 1992, Younkin Aquarians should avoid taking baths (but please tell them a shower is okay), never get on a boat, cancel the vacation at the ocean, and try hard to move to North Dakota (the Bad Lands if possible). Never get in a water bed with a Younkin! (Getting into a regular bed with a Younkin is not recommended, either).

Pisces (Feb 19-Mar 20) - should be a financially successful year for most Pisces, but with the Younkin 'luck', caution should be exercised. Avoid the stock market and junk bonds, but invest in 'safe' commodities, like roadside deposit bottles and aluminum cans. (Store them in the basement and wait for their value to increase - probably around Sept., except in California). Piggy banks are a good gift for Pisces Younkins, as long as they are sturdy, and do not have opening caps on the bottom. Since Pisces is the sign of the fish, and since Pisces Younkins are like fish-out-of-water, it would be best to have the I.M.A.Y. handle all of the money in 1992 (and '93, ...and '94, ...and '95, ...).

Aries (Mar 21-Apr 19) - Aries are stubborn, attractive, and original thinkers. Younkin Aries are stubborn, think they are attractive, and think they are original. If they really are attractive, they have to be really careful, because they can easily

become tramps or gigolos. And that's not very original, but don't try to tell them that. They're just too stubborn to listen to anything. My second husband was an Aries -- the rat!!! 1992 is going to be a bad year for Aries (especially if they are still living in Sarasota with that bimbo!).

Taurus (Apr 20-May 20) - Sign of the BULL, and a Younkin no less!! Think about that. Please stay out of china shops in 1992, or all other situations involving breakables. Avoid men in trench coats, especially if they are not wearing socks. Your notorious temper could get you in trouble, but this can be easily avoided in the New Year simply by having your mouth sewn shut. Your relationships will intensify. (So, what's new?).

Gemini (May 21-June 20) - In 1992, the spotlight will be on responsibility. The leadership role will be squarely on your shoulders, whether desired or not. Friends, neighbors, and loved ones will be depending on your wisdom, strength, and judgement. Momentous decisions and outcomes will hang in the balance. Boy, are you going to disappoint everyone! Don't worry. Tell them you couldn't help it. It was in the stars.

Cancer (June 21-July 22) - Sign of the crab. Your Lunar aspect will be coinciding with your Venus rising, so definitely stay out of drive-in movies, and don't even think about trying to "moon" anyone. It's going to be a really weird year for Younkin crabs. You will probably gain weight, but people will say you "carry it well" (at least, to your face). Avoid the number 3, the color yellow, soft or runny desserts, authority, responsibility, and Aries Younkins (even if she is your mother). Be nice to your I.M.A.Y.

Leo (July 23-Aug 22) - In 1992, a young person will want to adopt you as a role model. Don't clown around with the kid and act like a croissant or a poppy-seed. Be serious. The kid is impressionable and sensitive. Hey! You're not being serious. Now you're acting just like a hot cross bun. The kid will give you up by year's end for a new role model: country singer K. D. Lang. There - see what you've gone and done. You should be ashamed of yourself.

Virgo (Aug 23-Sept 22) - I see a large party ... no, ... a reunion in your future. It will be held in the spring.... no, ... the summertime, ... in Ohio... no.... in ... either Pennsylvania or West Virginia. Lots of your friend..... no ..., your relatives will be there. You will be an honored guest no, ... a key-note speaker no, a face in the crowd,... yes. Have a good time.

Libra (Sept 23-Oct 22) - In 1992, your psychic abilities will surge forward. Play your hunches. Go to bingo. Buy some lotto tickets. Take in the ponies. Try Atlantic City. A month in Vegas. Get a good lawyer when the divorce papers are served. Reconciliate. Find the right marriage counselor. Sessions with the pastor. Beg and plead. Make amends. A second honeymoon in the Bahamas. At the casino hotel. Ooops!

Scorpio (Oct 23-Nov 21) - Sign of that nasty little insect/spider thing with the pincers and the stinger! In 1992, everyone will be out to get you. Accept the challenge. Show them all what you're made of. Attend that family reunion with rings on your fingers..., and bells on your toes..., and a bone in your nose..., and we'll all give you plenty of room at the buffet table.... (Lighten up a little in '92).

Sagittarius (Nov 22-Dec 21) - 1992 will probably be the greatest year of your life. Uncountable wealth is close at hand. You will meet the love of your life. You will become famous, and will be on the cover of both Time and Newsweek, in the same week! Jay Leno will give you an entire hour. President Quayle will have you over to the house. Then, you'll wake up.

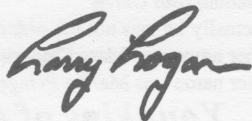

(Continued on Page 5)

I.M.A.Y.

(Continued from Page 4)

Capricorn (Dec 22-Jan 19) - Let's face it. This year is going to be pretty much like last year. No one will remember your birthday since it's right around Christmas. The promotion will go to that new girl. The kids won't listen to you. You'll put off getting the new car for another year. Maybe you should think about having your sign changed. Or, maybe it's the name? But you won't. (Remember, it will be just like last year).

[Editor's Note: remember, please, that this is a result of Larry's vivid imagination — not to be taken seriously! — Donna]

Old living Younkins of another generation—the fifth

from *Younkin Family News Bulletin*
Vol 1 #3, Aug. 5, 1938

all of the following were authored
by the late Charles A. Younkin of Charleroi, Pa.

In former issues of The News Bulletin, we have given you the beginning of a few of the branches of the Younkin family in America, and if you will follow closely, you will readily understand who these folks are, and where they belong in this great Younkin picture that we have attempted to bring to you, partly by picture and partly by story. In this story our intention is to give the older folks the preference, and with a follow up of the different generations, until we have reached the bottom of the ladder. In this we have dealt only with the descendants of the pioneer of 1753, Johan Henrich Junghen, and when we have finished with this, will attempt to bring a story of the same nature from others of this great group.

— **Samuel E. Younkin** was 85 years of age March 29, 1938. He was born near Riverside, Iowa. As a young man, he and his young wife (who is Miss Alice McKnight and was born near Fayette City, Pa.) went to the state of California. Their stay there was short-lived. After two years he returned to Iowa. For 32 years he was employed by the C. R. I & P. R. R. He now lives in Cedar Rapids.

He was a son of Joseph Younkin, who in turn was the oldest son of Samuel and Catherine (Godlove) Younkin, the last named Samuel Younkin being a son of Rudolph (Ralph) and Elizabeth (Hockman) Younkin, Rudolph or Ralph Younkin being a son of Henry and Catharine (Scherer) Younkin, was born in Bucks County, Pa., and as a young man went to Ohio.

— **Colwell S. Younkin** was 85 years of age June, 1938. He was born near Ursina, Somerset County, Pa. He lives at Confluence, Pa. As a young man he was known as Professor Younkin. The Great Ventriloquist has been a resident of Somerset County, Pa., his entire life. As a bee keeper and surveyor he leads a busy life. For many years he has been county engineer of Somerset County. This remarkable old fellow still makes his own blue prints and still can skip over the hills like a jack rabbit. His wife was Miss Emma Ringer. He was a son of Jacob J., or better known as "Dorcas Jake", and (Dorcas Hartzell) Younkin, Jacob being a son of John J. and (Polly Hartzell) Younkin. John J. Younkin, in turn was a son of Jacob and (Hannah Nicola) Younkin, the last named Jacob Younkin being a son of Henry and (Catharine Scherer) Younkin, and was born in Bucks County, Pa., in 1756.

— **Fremont C. Younkin** was 84 years of age April 15, 1938, was born in Somerset County and has lived there his entire life. As a young man he taught school. He was a son of David and (Maria Culvert ¹) Younkin. David Younkin, in turn, was a son of Henry and (Betsy Weimer) Younkin, and Henry Younkin was a son of Jacob and (Hannah Nicola) Younkin, Jacob being the oldest¹ son of Henry and (Catharine Scherer) Younkin, and was born in Bucks County, Pa.

— **Benton Younkin** was 80 years of age August 24, 1937, was born in Somerset County and has lived there his entire life. His home is in Rockwood, Pa., he being a brother of Fremont Younkin. His relationship, therefore, would be the same as his. This is the old fellow who still is going strong. On a visit to his home a few weeks ago, we were told that he was in the cemetery, and on our arrival there, found this spry old man digging graves, where has has been employed for the past twenty years.

— **William M. Younkin**, aged 82 years, lives in San Diego, Cal., he being a son of Archibald and (Mary Catherine ³) Younkin, Archibald being a son of Dr. Jonas and

(Martha Prinkey⁴) Younkin. Jonas Younkin was a son of Jacob and (Hannah Nicola) Younkin. Jacob being a son of Henry and (Catharine Scherer) Younkin.

— **Eugene Younkin** aged 80 years, lives in Dorchester, Neb., he being a son of Walter Younkin, who was a son of Dr. Jonas Younkin, whose father was the Jacob Younkin, oldest son² of Henry and (Catharine Scherer) Younkin, of Bucks County, Pa.

Dear Donna

"I seem to have plenty of space left on this letter so would like to send you a short resumé of myself so you might know what makes this Younkin 'tick'.

"This letterhead I am using is from stationary I used when I was the International Head of this organization [Patriarchs Militant, I.O.O.F.] in 1976-77. I was born in Great Bend, Kansas, and am still here, the fourth child from a family of 11 children, three of us still left. My parents were John King Younkin and Edna (Verbeck) Younkin. Among jobs I worked 50 years for the U. S. Post Office, besides 3-1/2 years in Uncle Sam's Army, WWII. I belong to and attend the First Christian Church (Deciples), serving as an Elder, Ex-chairman of Church Board and present Church Parliamentarian.

"I believe in Fraternal Organizations so I belong to the I.O.O.F. (Odd Fellows) Masonic, have served as Worthy Patron of the Order of Eastern Star, American Legion, National Ass'n. of Rural Letter Carriers, AARP, NARFE, ex-crane operator, x-farmer.

"I married my beautiful wife on May 30, 1942, Glenda Pfister. We celebrated our 45th wedding anniversary. She died on Nov. 30, 1987. We travelled a lot in our lodge work — all 50 states; most of the Provinces of Canada; Bahama Is.; Havanna Cuba (before Castro came to town); S. America; Tahiti; twice to the Passion Play at Obergarmagau, Germany; Central America; Panama Canal; and many trips to the Caribbean."

We'll be looking for you
at the 1992 Younkin
Family Reunion

Henry Younkin Jr. Family, of Indiana Co., Pa.

Shortly after our reunion this summer, I received an invitation from Dr. C. George Younkin, of Texas, to meet him in Philadelphia (where he was a guest speaker at a seminar). After the seminar we drove to Bedminster, Bucks County, Pa. I had great fun showing him all the "points of interest" that Dad and I had seen just the year before.

I am not sure when the reality hit Dr. Younkin, but I am told that the night he got back to Texas, he was on the phone until 2 a.m. calling all of his cousins telling them where he had been and what he had seen. But this story isn't about that. It's about Barry Brown.

That night in Bedminster I called Larry (he likes me to call him just so he knows I haven't dropped off the face of the earth!) and he had a message for me. A Barry Brown of "somewhere in Pennsylvania" had called and was very anxious to talk with me. It was 10:30 p.m. so I told Larry I would call him when I got home the next day. Larry said, "No, you'd better call him tonight — he really wants to talk to you!" So, hesitantly, I dialed his number. When he answered and I heard the excitement in his voice I knew I had done the right thing.

It seems Barry had been researching at the Indiana County (Pa.) Historical Society Library that day and had come across the copy of our family newsletter that I had donated to the library back in 1990. He said that he was pretty sure he was a

descendant of our family as he had a birth certificate for a "Henrey Youngkin" whose parents were Henry and Catharine (Sharer) Youngkin. It reads:

Leaves but the number less.

'Twas the Commission of our Lord,
To teach the Nations and Baptize:
The Nations have received the word
Since HE ascended to the skies.

Repent and be baptized, he said,
For the remission of your sins:
And thus our savior assists our faith,
And shows us what his gospel means.

An inward baptism of pure fire,

Kindle in me the living flame,
Baptize me in Jesus' name!

They were the first settlers in Clay Co; and built their log cabins while there were still Kay Indians around. Lavila Younkin was the first white woman living in Clay County, and her son, Edwin, was the first white child born in the county.

Mrs G W Southwick wrote to friends in 1861 when Rev and Mrs Todd were missionaries: "We remember the kindness of good-hearted, whole-souled Moses Younkin, who waded the river and got a log canoe to transport the preacher across. For months we travelled with ox teams every Sunday to Mr. Younkin's hospitable house where Uncle Todd held services."

Moses built a stone house which stood until Milford Dam went in. After Lavila died, Moses married Mary Thompson. They moved to Bellingham WA. One afternoon when Moses was walking home from town, an Indian who had been

'The Yonkin Connection'

News from Dushore

By Roger Yonkin
Ithaca, New York

Got my Junghen Family Bulletin, and have marked our calendar for 1992 reunion.

I wish I could spend more, and more concentrated time on our history, but I have been working hard on my book [which deals with the use of Steel Shot for hunting waterfowl] which I hope to publish in 1992. When published, I will let all the Junghens know thru the bulletin.

It appears, by what I read in the Newsletter, that family history info is coming along faster all the time. You will probably run across the connection for Younkin/Yonkin before I do.

I have received **only** three recipes and one promise letter as of Dec. 9, 1991, for the "**Junghen Family Cookbook**". The recipes were received from Merrill Younkin of Edmonds, WA.; and Velda Stitt of Clay Center, KS. They included wonderful narratives to go along with their families recipes. Velda sent in her mother Goldie Younkin Gingrich's Kansas State Fair prize winning recipes. These narratives will be a very important part of the cookbook. Tell me why you remember these particular dishes, who made them, stories surrounding them.

With our more diet conscious eating patterns these days, some of the old recipes may look a little frightening with their high fat, salt, etc. It is very important that we save these old recipes however, and whipping one up occasionally can bring

back memories of our heritage. One of these delicious goodies a few times a year won't hear.

If, you do **not** want your name and address included in the cookbook, please let me know. If you don't have a recipe, but recall a story or memory related to a special dish or a relative's cooking, send it.

I have over one thousand Yonkin names and their families in my genealogy computer program. I need help! Do you know a Yonkin living outside of Pennsylvania? Send me their name and address please. [editor's note: check your telephone books for Roger's **YONKIN** spelling and send these listings along with your recipes! Good idea right!]

There is confusion as to where the 'YONKIN' side of the family originated. I have only traced the family back to Henry Yonkin Sr. (1777-1851) who is buried along with his wife Elizabeth Haines (1782-1861), in Peace Cemetery, near Dushore, PA.

The name "Henry" keeps popping up in the family. Henry Sr.'s son was Henry Jr. and the Junghen family patriarch in the United States was Johan Henrich "Henry". Henry Sr. was born when John Henrich was 60 years old.

The only family records I have state Henry Sr. immigrated, but I am not sure sure that's true.

Was my ggg-grandfather, Henry Sr., a grandson of Johan Henrich's? That is what I need to know, do you have any evidence pertaining to this?

Send recipes and replies to Roger Yonkin, 26 German Cross Rd., Ithaca, NY 14850.

'From Howard Yonkin'

Sullivan County, Pa.

Reprinted from the YFNB Christmas 1937, Vol. 1 #1

Henry Younkin Sr was born May 4, 1774, in the province of Hesse Nassau, in or near Cassel (Kassel) Germany, and he married Elizabeth Haines and came to America in 1807, prior to sailing on their long journey, as it seemed in those days, some trouble arose which caused them to be delayed for one year before starting.

The captain of the vessel on which they sailed, being one of those rascals who lie in wait for unexperienced travelers, and defrauded them of their possessions and on landing were sold to a farmer near Bethlehem, Pa., to pay their passage, they remained with this man a short time, and then moved to Briar Creek Township, Columbia Co., Pa.

In 1823 they came to what was then Muncy Township, Lycoming Co., now Cherry Township, Sullivan Co. Mr. Younkin died in June 1851, age seventy-seven years, his wife ten years later in 1861, age eighty-six years, to them were born seven children, namely:

Henry Younkin, m. Barbara Hartzig; John Younkin, m. Mary Labenberg; Elizabeth Younkin m. Henry Graifley; Catherine Younkin m. Christian Mosier; Joseph Younkin m. Matilda Huffa; and Jacob Younkin m. Catherine Meyer.

[Editor's Note: When this appeared in the original issue of the YFNB the title was spelled "Yonkin" the remaining text used the spelling "Younkin" — the descendants of this line spell it "Yonkin". Also, if you check a map of Germany, Kassel and Seigen are only a few miles apart.]

from *Younkin Family News Bulletin*
Vol 2, #1 & 2, Aug. 10, 1939

(Continued from Page 6)

In former issues of the Bulletin we have given you a photo story of the fourth, fifth and sixth generations, who are direct descendants of Johan Henrich (Junghen) Younkin, the immigrant of 1753. Again we have stepped back, this time to the seventh and eighth in line, and if you will refer to your second and third and fourth issues, you will easily understand who they are, and where they belong in this great family tree.

— **Frank W. Younkin** lives in Johnstown, Pa., a son of David F. Younkin, whose father was Elias Younkin, a brother of Fremont and Benton Younkin, whose photos appeared in the third issue.

— **Ernest Younkin** and daughter live in Louisville, Ky. Ernest is a son of Ernest Younkin Sr., who in turn is a son of Colwell S. Younkin of Confluence.

— **John Harrison Byars**, the little fellow, is a son of Mrs. Gladys Y. Byars and lives with his parents in Marion, Il. Mrs. Byars is a daughter of John H. Younkin, Jr., who was a son of John R. Younkin, who was a son of John H. Younkin, Sr., a brother of Dorcus J. Younkin, and John H. Younkin, both being sons of John J. Younkin, who in turn was a son of Jacob and (Hannah Nicola) Younkin, who was a son of Johan Henrich (Junghen) Younkin, the pioneer of 1753 and was born in 1717.

This brings to a close the story of the lineage of the fourth generation back to the eighth who are directly traceable to the above pioneer. Perhaps in some future issue will discuss the different generations from another angle.

[Editor's note: those these articles mention photographs — they are not reprinted here as the copies I have are so poor they would never reproduce, I am sorry for that — it is a shame that the descendants have not sent in any photographs of these fine fellows — it would have been so nice!]
